## Sundial on the Atlantic Ocean View

Find your home in Key West at its Atlantic beaches and enjoy the Island Breeze. This luxuriously appointed home at the 1800 Atlantic Condominiums is a step above; come and step into the quiet tranquility of our home, with travertine and wool carpets and soothing and subtle interiors- grasscloth, stone countertops, quality hardware throughout. Cool tropical colors, natural browns and greens, and smooth cream and copper create the backdrop of a comfortable base from which you might explore all that Key West has to offer. The living room can easily accommodate a small group, with furnishings that are appealing and fabrics that are plush. This center of everything has a bar, a large LCD flat screen television, and spectacular views of the Atlantic. The dining table seats 6, the bar can seat 4 more or make self-service a breeze. All of this opens onto the spacious balcony, which seats an additional 4 for meals and has other casual seating as well. In season, this home makes for generous and grand entertaining or luxuriating space. From here you can watch gulls in the surf or keep an eye on family down at the pool without ever leaving the comfort of home. The fully-equipped kitchen contains new stainless appliances for all your needs, including full-size refrigerator, range, microwave, and dishwasher. This kitchen is spacious enough to accommodate your group dining in continually should you so choose. Its openness allows you to never miss a beat while preparing a meal. Or have a personal chef in and serve you. A generous pantry makes it easy to stock up for your stay. The master bedroom offers an exquisitely comfortable king bed and plenty of space with a private en-suite and Jacuzzi tub. The guest bedroom offers a king bed as well, with a bath across the hall. Both bedrooms are luxuriously appointed, with comfortable bedding, fine linens and lots of organized closet space. The 1800 complex has a large and nice central area with a generous pool, spa, grills and chaises in which you might enjoy either sun or shade- all within view of your balcony. Tennis and racquetball courts are available for your use, as are gas barbecue grills on a first-come, first-served basis. Just beyond, Smathers and Atlantic Beaches await, and the Atlantic surf beckons. There are nature trails just next door; neighborhood streets for sauntering along, or biking, and world-famous Duval Street is but a 10 minute bike ride away.
