Casa Coastal East – C231 After a recent remodel of the kitchen and bathroom, this unit has undergone a complete makeover with its new owners. It features new interior design and furnishings provided by Royal Furniture of Key West, including new closets, drapes, and local artwork from the gallery of Alan Maltz. The tranquility of the Keys welcomes you the moment you enter "Casa Coastal." The master bedroom includes a king-sized bed, while the second bedroom features a queen-sized bed and a built-in desk/work station for anyone needing to work from home. The living room couch converts into a full sleeper sofa. All three rooms have sliding doors that open onto an oversized balcony, and the unit is equipped with wireless internet. The complex offers three tennis courts (one clay), an Olympic-sized swimming pool, beautiful tropical gardens, and a private sunbathing beach area. Key West has something for everyone, including museums, art galleries, fishing, water sports, restaurants, live music, theater, festivals, and much more. So relax, enjoy, and we hope you come back soon!
