Sandpiper on the Ocean

<

Penthouse property with vaulted ceilings at the famous 1800 Atlantic. Both bedrooms and the living room have access to your private balcony with great views of the property and Atlantic Ocean. The Owners are fishing enthusiasts as you will see when you relax in the comforts of home away from home. Totally renovated in the Summer of 2024. No attention to detail has been spared. King in master, 2 twins in guest and a sleeper in the living room. Ideal family unit that will comfortably accommodate a family of 6. Olympic size heated pool, with a popular bubbling Jacuzzi for one of those rare cold winter nights. Did you know we are the only frost free city in the continental US. Tennis lovers will appreciate the only clay court on the island of Key West as well as recently renovated hard courts with the help of ATA. Where do you start in Key West from Fishing to Diving, to theater and the arts. So much to do and so little time will leave you with no choice other than to visit again. No where is more than 10 minutes away and there is really no need for a car, however you do get a rare free parking space with your property at 1800 Atlantic. Our Property Manager lives on site and is a wealth of information should you happen to encounter him, ask him to tell you one of his Island Stories, and listen carefully. There is so much to learn. Many come and never leave, will you be one of those?
