Cigar Makers Apartment KW Monthly

<

This delightful 2 Bedroom Cigar Maker's Cottage at 1008 Whitehead was built in the 1880's, where there was once a Cigar Factory across the street on Truman Ave. It's history also includes the previous owner, David Kaufelt, a well-known Key West writer. Quaint and charming, with a view of the famous Key West Lighthouse from the front of the house, this two bedroom (a full and two twins which can be made into a king bed if requested) is a cozy oasis just a half block from Hemingway's House and a short block from Duval Street. Featuring original Key West artists throughout, the casually refined living room has a TV/DVD player. The kitchen is fully equipped and has French doors, allowing lots of natural light in and an inviting view to the deck's tropical setting, perfect for grilling on the large gas BBQ, dining table side or just enjoying a cold drink and letting the world pass by. Call today to make this special historic home your piece of Paradise in Key West! This property has a 28 day minimum stay requirement.
